The time has come to renew your Jervis Bay and Basin Arts membership. This comes around every two years so that it covers both the non - See Change and See Change years. This is a good time for the Committee to understand what the members want from JBBARTs and for you to evaluate how much time you want to put into ensuring the success of the organisation.

Following are some of the original Aims and Objectives of Jervis Bay and Basin Arts. You will see from below that the current model of exhibitions and See Change is not all the organisation could do.

We would like you to complete the survey below and post this with your membership form and fee to Jervis Bay and Basin Arts, P.O. Box 207, Vincentia 2540. Collated responses will be considered at the meeting on the 24th of March 2011 so that any proposed changes are put to the AGM on the 28th of April 2011. All members welcome.
